

FOOT & ANKLE ASSOCIATES

JE Foot & Ankle Associates
1677 Eagle Harbor Pkwy, Ste C
Fleming Island, FL 32003
(904) 278-5112

Dear JE Foot & Ankle patients,

After a long and successful 14 years providing foot and ankle care to patients in Palm Coast, we have decided to move into a new chapter and merge our practice with Palm Tree Podiatry. We are truly thankful for your years of loyalty and it has been an absolute pleasure allowing us to care for you and your loved ones over the years. Your health and well-being has always been the up-most importance to us and feel we have found the right Podiatrist to continue that treatment. We would like to take this opportunity to introduce Dr. Eric Freiler and recommend all of our patients in Palm Coast transition their foot care needs with him in his office at 800 Belle Terre Pkwy, Ste 112. We feel Dr. Freiler will continue to provide the same care and needs that you have been accustomed to with us at JE Foot & Ankle. This is a bittersweet announcement, but also feel it's the right time to make the transition to focus on our main office location in Fleming Island, FL. With that, we are writing to let you know that we will be closing our Palm Coast office at 17 North Old Kings Rd, Ste D, effective July 16, 2026.

You can still reach JE Foot & Ankle Associates at (386) 445-4345 until 7/16/26 and then calling this number will direct you to Palm Tree Podiatry and Dr. Freiler. His office number is (386) 777-7311.

Sincerely,

Dr. Emily Ernst, DPM

Dr. Jeffrey Jackson, DPM
